Kokanee Power Encourages Anglers to Join Free MyCatch Derby at Whiskeytown Lake

Galt, CA – May 20, 2025 - Kokanee Power recognizes the disappointment felt by anglers following the cancellation of the Whiskeytown Kokanee Derby, which was originally scheduled for June 7, 2025. The Kokanee Power Board faced numerous restrictions that made it impractical to hold the event as planned.

In response, Kokanee Power is excited to endorse and encourage participation in the upcoming MyCatch derby at Whiskeytown Lake, running from June 7 through July 21, 2025. This virtual event is free to enter and offers \$5,000 in prizes. The derby is designed to provide fun and friendly competition for anglers while also supporting important fisheries research conducted by the California Department of Fish and Wildlife. Kokanee Power has utilized the MyCatch app to run multiple free side events during our derbies with great success.

To participate, anglers simply need to download the MyCatch app by Angler's Atlas, sign up, and start logging their catches. The MyCatch app uses a Catch-Photo-Release format to promote conservation, keeps your fishing locations confidential, and allows you to contribute valuable data for fisheries management.

Get started today:

- Learn more and sign up at: <https://www.anglersatlas.com/event/844/2025-whiskeytown-kokanee-classic>
- Download the MyCatch app:
