We are thrilled to announce the promotion of Chris Dunham and Brian Thomas to the position of Vice President within our organization. Both Chris and Brian have demonstrated exceptional dedication, leadership, and expertise in advancing our mission, and their new roles will allow them to contribute even more significantly to our initiatives.

Responsibilities in Their New Roles:

- **Enhancing Trout Pen Projects:** Overseeing the development and maintenance of our trout pen projects to ensure sustainable fisheries.
- **Leading Membership Meetings:** Organizing and facilitating productive discussions among members to align on goals and strategies.
- **Coordinating Events:** Managing our six Kokanee and trout derbies annually, as well as promoting our key fundraising events, including the March Crab Feed and November Banquet.
- **Expanding Membership and Youth Programs:** Developing initiatives to increase our organization's membership and enhance youth engagement in conservation and fishing activities.
- **Coordinating Youth Derbies and Education Programs:** Organizing fishing derbies for youth and implementing educational programs to introduce young anglers to fishing, conservation, and environmental stewardship.

Their leadership will undoubtedly strengthen our efforts in conservation, community engagement, and recreational fishing opportunities. Please join us in congratulating Chris and Brian on their well-deserved promotions!
