OFFICIAL NEWSLETTER OF KOKANEE POWER

HAPPY 2014 TO ALL!

BY: GARY COE

I hope you all had a safe and festive holiday season.

How about these Newsletters! Director Wes Hamasaki is doing a bang-up job. I'm sure he would appreciate hearing from you with any ideas or helpful hints you might have. **Thanks Wes!**

We start this year at the Sacramento International Sportsmen's Exposition. The ISE is earlier than ever this year, running from January 9th to January 12th. Stop by and say hello, re-up your membership and receive a free KP T-shirt. And thanks to our fantastic sponsors, we'll have some tackle to pass out as well. We have KP items for sale, a daily rod & reel raffle and information on all of this year's events.

Johnson Hicks Marine Electronics has done it again! These guys are awesome when it comes to marine electronics. They are very knowledgeable and they stand behind what they do and sell. They'll be right on the same aisle with us at the ISE in booth # 3128. Here's the deal. Sign up with us for your 2014 membership and then go down to Johnson Hicks and sign up for a chance to win a Lowrance HDS-7, Gen-2, Touch Screen GPS/Fishfinder. It's FREE with your KP Membership! How are you going to beat **THAT?**

From there, it's less than two short months to our annual Fundraising Banquet, held once again at the Stockton Waterloo Gun & Bocce Club on March 8th. Don't miss this one folks. **"It's gonna be a barn burner!"**

2014 should be an interesting year for Kokanee Power. For the first time in years, we are having to watch water levels. This may have an impact on our Derby Schedule. We have a tentative date for Pine Flat starting this year's derbies on April 5th. The water level of the lake needs to come up to provide a good quality event. Watch our website for the latest news. We'll give you plenty of notice if a change needs to take place. Check out our website under "Derbies" for all of the locations and dates.

Last but certainly not least, I'd like to say **'Thank You.'** We're a pretty darned good organization, and we do a lot of good things. NONE of it would be possible without you, our members and supporters. We very much appreciate your continued help and support. We could not do it without you. You are special.

Thank you,
Gary
