PINE FLAT DERBY CANCELLED

BY: WES HAMASAKI

It's officially spring! While most of winter felt like spring, it wasn't official until March 20th at 9:57 AM. Sadly, as we move into Spring, the likelihood of Mother Nature gracing us with wet weather grows slimmer and slimmer as each day progresses. With 2013 being the driest year since California started measuring rainfall in 1849, this all but solidifies the hardships we will begin to experience. We've already heard of some counties mandating water conservation while for others it's voluntary. We cannot go a day without hearing about the drought that is looming over us on the radio or on television. With forecasts predicting for the State's water trouble only getting worse, the Officers and Directors of Kokanee Power have been monitoring the water levels closely for each of the impoundments where our derbies are held.

The Pine Flat Team Trout Derby was scheduled to be the first event for Kokanee Power's 2014 season. However, due to the low water level with no anticipated relief in sight, limited access, and most importantly, our safety, the derby has been cancelled. While "firsts" are usually a good thing, this is a "first" that we never wanted to have. We work hard to provide top quality events for everyone and when it becomes apparent that we aren't able to do so because of circumstances beyond our control, we really have no choice.

We apologize for any inconvenience. Thank you for your understanding and continued support. We still have seven events planned for this year, and we hope to see you all at them.
