## KP PHONE NUMBER

BY: WES HAMASAKI

In this new digital age, there are many forms of communication that can be used to get a hold of someone. There's email, text messaging, and social media such as Facebook, just to name a few. However, while each form of communication has its own time and place, nothing beats a phone call when you need to reach someone.

We at Kokanee Power are excited to introduce the new and official Kokanee Power phone number to help answer any questions that range from more general in nature to specifics such as membership, tournaments, and events. The number is available immediately! It is **1-888-744-8150**. When you call, you will be greeted and provided with three different extensions:

- 1 – Membership
- 2 – Tournaments and Events
- 3 – General Questions

By calling this phone number, you will be directed to one of the officers of Kokanee Power. If they are unable to answer at that time, please leave a message, and they will reach back out to you and be happy to answer any of your questions.

Looking forward to hearing from you soon!

# SHAVER RESULTS

BY: WES HAMASAKI

September 12th marked the last derby of the year for the 2015 Kokanee Power season. The fishing was tough, but fish were up to 17 inches. It's great to see fish of this caliber coming out of Shaver as it marks a great comeback of the fishery since the lake was drained a few years ago. Thanks to all that participated and congrats to all those that placed!
